In the event that any member persistently fails to comply with this Associations' code of conduct for Members and/or Officers and/or brings the name of the Association into disrepute or conducts themselves in any manner deemed irresponsible or unethical the Committee may act in terms of the Rules in dealing with the matter.

9. COMPLAINTS PROCEDURE

Any member of the Association who has a complaint against another member may contact the Committee Secretary. The Committee Secretary will undertake to provide an initial response within 10 working days and to make all reasonable steps to resolve the issue within 4 weeks. In the event the member is not satisfied with the outcome after that time, they may take the issue to the Chair of the Association. If the complaint is about the Chair or Committee Secretary, the member may take the issue to the Deputy Chair or Treasurer.

10. GRIEVANCE PROCEDURE

This grievance procedure is intended as the procedure by which a member the BDBKA may formally have a grievance, regarding any condition of their membership, heard by the Committee. The aggrieved member has the right to representation from another member or a friend.

Stage 1

A Member who has a grievance, should raise the matter in writing with the Association Committee Secretary.

If the Association Committee Secretary is unable to resolve the matter at that time, then a formal written grievance form should be submitted. The Association Committee Secretary

Rules

should then respond within 14 days to the grievance unless an extended period of time is agreed upon by both parties. The response will give a full written explanation of the Associations Committee Secretary decision and who to appeal to if still aggrieved.

Stage 2

In most instances the Committee Secretary's decision is final and the matter will come to a close. However, in some circumstances the Member may remain aggrieved and can appeal against the decision of the Committee Secretary.

The appeal, to the Association Chair, must be made within 14 days of the original response to the Members grievance. The appeal must be in writing. The Association Chair will attempt to resolve the grievance. A formal response and full explanation will be given in writing within 14 days

There is no further right of appeal. Where however both parties agree that there would be some merit in referring the matter to a third party for advice, conciliation or arbitration, arrangements will then be made to find a mutually acceptable third party.

Using mediation

A mediator can sometimes help resolve grievance issues before it is necessary to invoke the formal procedure. Mediation is a voluntary process where the mediator helps two or more people in dispute to attempt to reach an agreement. Any agreement comes from those in dispute, not from the mediator.

BDBKA will source a neutral mediator from the membership. Mediators will work individually or in pairs as co-mediators.

11. INVESTIGATION FOR ALLEGATIONS OF BREACH OF CONDUCT.

Formal investigations should be carried out by the most appropriate Committee Officer who is not directly involved with the incident being investigated. This person will be the **Investigating Officer**. This Officer may involve others to assist with the investigation process. All the relevant facts should be gathered promptly as soon as is practicable after the incident. Statements should be taken from witnesses at the earliest opportunity. Any physical evidence should be preserved and/or photographed if reasonable to do so.

A report should be prepared which outlines the facts of the case by the Investigating Officer. This should be submitted to the Association Chair who will decide whether further action is required. Where appropriate, this report may be made available to the individual and their representative.

In most circumstances where breach of code of conduct is suspected, it will be appropriate to set up an investigatory hearing. This would be chaired by the Association Chair, who would be accompanied by one or more Committee Officers who are not directly involved with the incident being investigated. The Investigating Officer would be asked to present his/her findings in the presence of the member who has been investigated. Witnesses should be called at this stage, and the member (or their representative) allowed to question these witnesses.

Following the full presentation of the facts, and the opportunity afforded to the Member to state their side of the case, the hearing should be adjourned, and everyone would leave the room except the Association Chair and the other Committee members hearing the case. They would discuss the case and decide which of the following options was appropriate:

- take no further action against the Member
- issue a verbal warning
- issue a first written warning

Rules

- issue a final written warning
- recommend suspension of Membership to be discussed at a Special Committee meeting

If the decision is to suspend membership, then the process will follow that detailed in the section entitled Suspension from Membership and Termination of Committee Membership and the decision will be by a resolution of the Committee.

All parties should be brought back, and informed as to which option has been chosen.

Time Scales for the expiry of Warnings

Warnings issued to Members/Committee Members shall be deemed to have expired after the following periods of time.

Verbal Warnings: 6 months

First Written Warnings: 12 months

Final Written Warnings: 18 months (or as agreed and recorded at the hearing)

These time scales remain provided that during that period, no further warnings have been issued in respect of the Members conduct.

Letter to Member of Decision taken

All letters must contain the following information:

- The letter must be issued within 7 days of the date of the hearing.
- The nature of the offence and where appropriate, that if further misconduct occurs, further action will be taken.
- Sent to their home address or by handing it to them in person.

Appeals

Every Member has the right to appeal against the outcome of a hearing. The basis of an appeal should normally relate to one of the following areas:

- that the Associations procedure had not been followed correctly.
- that the resulting action was inappropriate.
- that the need for action was not warranted.
- that new information regarding action has arisen

An appeal should be put in writing to the Association Chair. The letter of appeal may be constructed by the member or their representative. The letter should contain the grounds for appeal and should be lodged within 10 days of receipt of the warning or decision to forward the case to the Committee to terminate membership.

An appeal will be arranged within 14 days of receipt of the appeal letter.

Appeal will be heard by the Association Chair who may request a Committee Officer or Ordinary Member of the Association, who have not previously been involved in the case to attend. This will form the Appeal Committee.

When dealing with an appeal against suspension of membership written statements of the case may be submitted no later than 2 days prior to the date of Appeal Hearing. No additional written evidence will be admitted by the Appeal Committee on the date of the Hearing.

Witnesses may be required by either party at an appeal hearing, dependent upon the circumstances and nature of the case. However, there is no specific obligation on either party to produce a witness. Either party must give 5 days' prior notice that they intend to call specific persons involved or associated with the case under consideration.

It is the responsibility of the Member to each arrange for the availability and attendance of any

Rules

witness they wish to call.

The Association Chair and/or Appeal Committee will then hear the appeal and consider the information.

The Association Chair/Appeal Committee will then decide the action to be taken.

The Association Chair/Appeal Committee decision will be final.

12. EQUIPMENT FOR LOAN

The Association may make available from time to time items of beekeeping equipment, books, videos and other Media that may be borrowed by Members.

In borrowing any item from the Association, a Member is deemed to have agreed to return it in the condition it was received or replace it with an identical new item.

Members will be eligible to access loan equipment following the attendance at the appropriate Association training session.

Equipment loan refundable deposits

Small Extractors £20 for equipment plus £20 for cleaning

Large Extractor £20 for equipment plus £20 for cleaning

Equipment must be returned to Whalebones and be inspected by a Committee member. If no damage and clean, then the deposits will be refunded.

All other equipment £30

13. NOMINATION OF HONORARY MEMBERS

An Honorary Member is an Associate Member who does not pay a subscription. Honorary Members are re-elected each year at the AGM by a simple majority of those present and voting.

Nominations for the Honorary Membership should be made to the Association Secretary sixty (60) days before the Annual General Meeting or seven (7) days before the last committee meeting prior to the Annual General Meeting, whichever is the latest. The nomination must include the names of the proposer and seconder. The candidate will be considered by the committee on the following criteria.

- Is the candidate still an active beekeeper? Active beekeepers cannot be considered for Honorary Membership as Honorary Membership does not include Bee Disease Insurance (BDI)
- Has the candidate been a member of the Barnet and District Beekeepers Association for over 20 years?
- Has the candidate contributed and enhanced beekeeping in the association, the local area, or for individual members?

The committee will debate, vote and minute their decision, if the candidate is to be put forward at the AGM for a general vote by the membership present to be presented with Honorary Membership status of the Barnet and District Beekeepers Association.

14. RULE CHANGES

Rules for the conduct of the normal business of the Association may be made, altered or deleted by the Committee, and will be notified to members at the AGM. No Rule may be approved that would have the effect of amending the Constitution or would conflict with any of its provisions.

Changes to the Rules shall not be interpreted as an amendment to the Constitution. Changes to the Constitution shall not necessarily invalidate the Rules.

Rules

15. REMUNERATION OF COMMITTEE OFFICERS

No Officer shall be entitled to any form of remuneration in respect of any services supplied to the Association. Nothing in this section shall prevent the reimbursement to Officers of reasonable out of pocket expenses properly incurred for the Association and supported by bills or receipts from third parties.

16. INTERPRETATION

In the construction of these Rules masculine shall include feminine and singular shall include plural and vice versa.

The Committee of the Association shall be the sole authority for the interpretation of the Rules and its decision upon any matter not provided for by these Rules shall be final and binding.

17. POLICIES

Separate Policies will be maintained for Equal Opportunities, Safeguarding and Data Protection.
